

# Don't know how to thank your child's teacher this year?

How about showing your appreciation  
with a donation to the  
Benicia Education Foundation?  
It's easy and the teachers will love it!

Make your donation online by credit card or send it in using the form below. You can make your own card or pick up a special BEF thank you card at your child's school or the district office.

Donations may be made in multiple names – so how about including administrators, librarians, janitors – or anyone you wish to thank? Fill out as many cards as you like! You can also choose to donate anonymously if you prefer.
