

**BENICIA
EDUCATION
FOUNDATION**

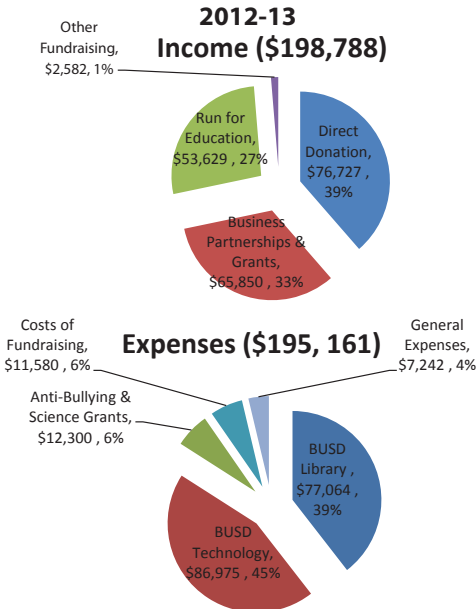

**BEF Financial Overview
July 1, 2012 – July 1, 2013**

The BEF thanks the families and businesses who donated to the BEF to support technology and library needs. Through your generosity, we raised \$198,787.00 to support our schools.

In 2013-14 the BEF will provide:

- 37% of library funding
- 17% of computer lab funding
- \$50,000 toward 21st Century Teaching and Learning

**The students of Benicia
THANK YOU!**

21st Century Teaching and Learning

Collaboration, Communication, Critical thinking, Curiosity and Creativity

■ **September 4-16** we are asking the community to make a donation of any amount to kick start the 21st Century Teaching and Learning that our children both need and deserve. As the implementation of Common Core Standards progresses the need for improved technology on our campuses and in our classrooms continually increases. Our goal is to raise at least \$200,000 this year for computer and library resources and the expansion of exciting new classroom technology.

Two amazing improvements are already underway. First, teachers across the district now have wireless capabilities bringing exciting opportunities to our students and classrooms. 21st century experiences including Collaboration, Communication, Critical thinking, Curiosity and Creativity are skills necessary for our students to be College and Career Ready (CCR). Technology plays a key role in propelling our teaching and learning to the next level.

Second, 228 new devices are being deployed to teachers and classrooms across the district. Teacher iPad usage and Computers on Wheels (mobile computer labs) are already being tested and implemented. Our hope is that soon devices such as these will be in the hands of every teacher and accessible to every student in the district.

Donate now to the BEF to make these funding commitments possible.

Kick start donation drive at all schools begins September 4-16.

Ways To Give

- Donate now by mail or online at the BEF website via Paypal.
- Monthly recurring donations can be made by mailing in the form below.
- Apply for matching gifts through your employer.
